
ALBERT EINSTEIN COLLEGE OF MEDICINE

Dermatopathology Fellowship

Description: One year ACGME-approved fellowship in dermatopathology, providing an outstanding clinical training experience with a faculty rich in experience in the clinical practice of dermatopathology, clinical dermatology and anatomic pathology and with a high volume of clinical material obtained both from hospital –based and practice- or outpatient-based dermatology. The fellow will rotate through the departments of dermatopathology and dermatology at Einstein/Montefiore and through our affiliated institution, Dermopath. Diagnostics. The combined volume of accessions seen in these institutions is in excess of 220,000 per annum. There is opportunity for extensive experience in all aspects of dermatopathology: clinical, academic research, immunofluorescence, immunoperoxidase and molecular pathology. Graduates of this program are trained to be excellent clinical dermatopathologists who should secure positions in either academic institutions or private practice dermatopathology laboratories.

Requirements: Eligible for AP or AP/CP Board certification or Dermatology Board certification.

Stipends: Appointment is for one year. Salary based on schedule for residents.

Staff: **Mark Jacobson** MD (Director of Dermatopathology, Montefiore Medical Center, Associate director, Dermopath. Diagnostics); **Paul Chu** MD (Executive Managing-Director, Dermopath Diagnostics); **Damian Di Costanzo** MD (Dermopath Diagnostics); **Kenneth Shulman** MD (Dermopath Diagnostics); **Michael Miller** MD (Dermopath Diagnostics); **Jason Cohen** MD (Dermopath Diagnostics); **Bonnie A. Lee** MD (Dermopath Diagnostics); **Eun Ji Kwon** MD (Dermopath Diagnostics); **Michael Fisher** MD (Past Chairman, Dermatology, Albert Einstein College of Medicine); **Steven Cohen** MD (Chairman, Dermatology, Albert Einstein College of Medicine); **Ranon Mann** MD (Dermatology, Albert Einstein College of Medicine); **Michael Prystowsky** MD (Chairman, Pathology, Albert Einstein College of Medicine); **James Pullman** MD (Director of Surgical Pathology , Montefiore Medical Center); **Katherine Tanaka** MD (Attending Pathologist , Montefiore Medical Center); **Kathleen Whitney** MD (Attending Pathologist , Montefiore Medical Center); **Bijal Amin** MD (Attending Dermatopathologist , Montefiore Medical Center).

Applications: Send curriculum vitae, three letters of recommendation, Dean’s letter and transcript and a brief statement of career objectives to: Mark Jacobson, MD, Director of Dermatopathology, Montefiore Medical Center, 111 East 210th Street, Bronx, NY 10467
