

Dear ICPI Board,

I was able to attend this year's CAP meeting in San Diego partly thanks to your generous award which helped me to offset the costs of attending this important meeting.

With this award, I was able to stay an extra two days to attend both the resident delegate meeting and the poster presentation session.

Once again, I wanted to thank the ICPI for making this award available.

Regards,

Cyrus K. Manavi, M.D. (PGY-III)
