Dear Members of the ICPI Board,

Thank you for awarding me the ICPI travel grant which enable me to attend the 2014 United States and Canadian Academy of Pathology annual meeting on Mar 1-7, in San diego, CA.

This conference provides me not only an overview of the future trend in pathology, but also precious opportunity to meet renowned pathologists as well as network with my peers during all the sessions and poster presentations. At the meeting, I enjoyed the talks on topics ranging from Genomic Medicine to Utility and Pitfalls of immunohistochemistry covering variety of subspecialties, particularly those superb high educational quality short courses. The experience from this conference were invaluable for a pathologist -in-training like me.

Again, it is a great honor to be a recipient of this award. Thank you s much for this opportunity!

Sincerely,

Hong Hong
