Intersociety Council for Pathology Information  
9650 Rockville Pike  
Bethesda, MD 20814

Dear ICPI Board and members,

I would like to thank you for the travel award that allowed me to attend the 2015 "Fifth Annual Canadian Association of Pathologist Resident Review Course" in Toronto, Ontario.

The course was not only a great addition to my preparation for the Canadian Pathology board exam but also a chance to network with other residents from all over the country.

The course was given by well-known speakers and the teaching materials were well prepared and covered nearly all areas in Anatomical Pathology.

Attending this particular review course is highly recommended for the senior residents who are preparing for the board exam. Thank you once again for your support.

Sincerely,

Payam S. Pahlavan, M.D. , MSc  
PGY5, Anatomical Pathology Resident  
University of Manitoba  
Winnipeg, Manitoba,
