Intersociety Council for Pathology Information (ICPI)

Re: ICPI Trainee Travel Award

9650 Rockville Pike

Bethesda, MD 20814

Dear ICPI Board Members:

I would like to express my appreciation for your support in attending the United States and Canadian Academy of Pathology Annual Meeting in San Antonio, Texas during March 4-10, 2017. Through presenting two posters, I was able to meet researchers from around the world who share my interest in Endocrine Pathology, and obtain ideas that have improved my projects from those very enjoyable discussions. In addition, I attended several sessions of platform presentations and subspecialty society meetings, during which I learned the cutting-edge advances in the field as people try to understand and manage diseases better. Overall, it was a wonderful networking and mind-opening experience. Thank you so much for providing the opportunity.

Best regards,

Ying-Hsia Chu, MD

Pathology Resident (PGY3)

University of Wisconsin Hospital and Clinics
