Bethesda, MD 20814

Dear ICPI Board Members,

Thank you for the opportunity to attend and present my research at the College of American Pathology 2016 Annual Meeting (CAP16) in Las Vegas, NV. In addition to presenting my poster titled, "Systemic non-hodgkin T-cell Lymphomas Primary to Head and Neck Region. An Institutional Experience," I was able to attend many courses and seminars teaching pathology pitfalls and emerging technology. Moreover, I was able to meet many residents and faculty of programs I am currently applying to residency for. It allowed me to ask questions about their programs as well as develop relationships with these individuals. Again, thank you for this excellent opportunity!

Sincerely,

A handwritten signature in black ink that reads "Devin Broadwater". The signature is written in a cursive, flowing style.
